**HANAMA`ULU TOWN CELEBRATION**  
**JULY 16 & 17, 2005**

On behalf of the people of Hawai`i, I send greetings of warm aloha to all who have gathered at Peter Rayno Sr. Park on the beautiful island of Kaua`i for the Hanama`ulu Town Celebration with a theme: *“Remembering the Past, Celebrating the Present and Embracing the Future.”*

Līhu`e Plantation’s second mill, Hanama`ulu Mill, was built in 1877 and soon after, the mill and its neighboring homes were known as “Hanama`ulu Plantation.” This charming town has maintained much of its uniqueness and is home to approximately 3,000 residents who represent many ethnic groups.

This two-day celebration is a great opportunity for families to spend time together and enjoy live entertainment, historical and cultural displays and presentations, delicious foods, arts and crafts and much more. I wish to congratulate all who worked to make this gathering a reality. Best wishes for a memorable celebration and for the continued unity of the Hanama`ulu Plantation community.

Aloha,

---

Linda Lingle  
Governor, State of Hawai`i
